HOW COOL IS SCHOOL

At Reynolds Orthodontics, each year, we ask our patients to write letters expressing their appreciation for the special mentors in their lives. These letters highlight what makes each mentor so exceptional. We then carefully review the entries and select ONE lucky winner. The winning patient and their mentor receive prizes. This initiative is our way of recognizing and thanking the dedicated individuals who guide and support our children.

This contest is our way of giving back to the community! Anyone who receives a golden ticket from a team member driving our Reynolds Ortho car wins free retainers and an exclusive invite to our pizza party. At the party, we'll announce the grand prize winner of free braces, plus 2nd-4th place winners who will receive prize baskets with \$250-\$500 off new treatment..

If you want the work done right – Reynolds Orthodontics is the place.

(I have gotten my braces done from there and I am 3 months away from finishing my treatment)

Reynolds Orthodontics doesn't just do excellent work – they make the entire experience feel comfortable, clear, and personal. They explain every step of treatment in a way that's easy to understand, so you're never left guessing or rushed through an appointment. You genuinely walk out knowing exactly what was done and why.

The professionalism of the staff speaks volumes – you can tell they've received exceptional training. They carry themselves with confidence, patience, and care, making you feel valued and taken care of from the moment you walk in.

Whether you're getting braces, an adjustment, or something super simple or complicated, you leave educated, reassured, and smiling. Friendly team, great communication, and truly high-quality work. Highly recommend to anyone who wants orthodontic care done right.

Dr. Jenn Bonamici is exactly the orthodontist you'd hope to find for your family. She listens closely, develops a custom treatment plan and carries it out seamlessly to deliver the best possible result. I couldn't be happier with my experience and can recommend without hesitation!
