SEASON OF GIVING

At Reynolds Orthodontics, being “Leaders of Philanthropy” is one of our core values. This month, we are proud to give back by donating a portion of our proceeds to the National Multiple Sclerosis Society.

Supporting the fight against multiple sclerosis is especially meaningful to our team. Several of our team members have loved ones affected by this unpredictable disease, including Dr. Reynolds’ mother, Jane.

If you’d like to help make a difference, we encourage you to visit [nationalmssociety.org](http://nationalmssociety.org) to learn more about ways you can get involved and support those living with MS.

# HOW COOL IS SCHOOL?

At Reynolds Orthodontics, each year, we ask our patients to write letters expressing their appreciation for the special mentors in their lives. These letters highlight what makes each mentor so exceptional. We then carefully review the entries and select two lucky winners. The winning patients and their mentor receive prizes. This initiative is our way of recognizing and thanking the dedicated individuals who guide and support our children.

# RETAINER GUARANTEE™

## ➤➤➤ WHAT IS RETAINER GUARANTEE™?

Following treatment, we advise consistent wearing of retainers at night indefinitely. We are pleased to provide the RETAINER GUARANTEE™ program as an integral component of our Comprehensive, Personalized Treatment Plans, so you have peace of mind when you're stuck needing a last-minute replacement retainer. Past and new patients may all enroll in RETAINER GUARANTEE™: all you have to do is ask!

## ➤➤➤ PROTECT THE SMILE YOU'VE WORKED SO HARD TO GET!

Those who have retainers can attest that there are situations where the retainers may need to be replaced such as: accidental disposal, pet interference, misplacement, or regular wear and tear. At Reynolds Orthodontics, we present a 10-year program ensuring the longevity of both your retainers and your radiant smile!

With a single enrollment fee, you gain access to new retainers with a \$20 copay for each replacement.

Really appreciate Dr. Jennifer and the team at Reynolds. My daughter had a toothache and we didn't know what was causing it. We're grateful they could get us an appointment first thing that day and she quickly identified it as a fractured tooth. Then we got an appointment with her dentist to have it pulled. No more pain! Thank you Dr. Jennifer!
